Dear Mr. DeHart,

The purpose of this letter is to convey a heartfelt "thank you" to you and your company from our pastor, Rev. Patrick Miller and the entire Bethlehem Baptist Church family. The reason for all this gratitude is, of course, for your part in getting our leaking roof replaced. Believe me, after three years of ruined ceiling tiles, furniture, and carpet, we are grateful to all those who had a role in resolving our dilemma. We have not had the kind of rain down pours that we are accustomed to during this time of year since your installation at the church. I am cautiously optimistic that our roof challenges are a thing of the past and that I will not have to call you at no point in the near future to discuss roof repairs.

I have written Mr. Steve Mayle, of Custom Seal to thank him and his company for their generosity and consideration in this new roof endeavor. In addition to thanking Mr. Mayle I also inquired about the 15 year warranty that usually comes with the installation of a new roof.

Again, thank you for your time, consideration and professional workmanship.

Gratefully Yours
